

Battersea Poems

Text in your poem and be part of creating a biography of SW11 written by you, the people who live, work and visit Battersea.

Start a text message with Battersea then a space, then your poem, in one text only, and send it to 07786 202 844.

Take the people, places, and history of Battersea as your inspiration, but your poem doesn't have to be about SW11, so a poem inspired by Clapham Junction might be about a journey, as shown in the picture below.

You can submit as many poems as you like. Your poem will be published instantly on: www.thumbprintcity.com/london/battersea

The best Battersea Poems will then be selected by a panel led by Apples and Snakes to be published in a printed anthology.

Sending a poem only costs the same as sending a normal text to your friend's phone. You will not be signed up for anything, ever.

Competition closes 31/10/09
